

App Control

nutritional support for carbohydrate, alcohol & drug cravings*

VITAGENIS

Key Benefits

- Nutritional Support for Drug, Alcohol and Carbohydrate Cravings*
- Supports Increased Energy*
- Helps Restore Major Brain Neurotransmitters
- Including Healthy Serotonin Levels*
- Aids in Improving Mood*

App Control contains neurotransmitter precursors and conversion nutrients which help satisfy the "reward cascade" of the brain.* Satisfying the "reward cascade" of the brain may help with cravings for things that may be appealing such as drugs, alcohol and carbohydrates while improving mood and increasing energy.* By helping to restore major brain neurotransmitters, Appe-Curb® may support balance in the brain and a feeling of well-being.*

DIRECTIONS: Take four capsules before breakfast and four capsules before lunch or at mid-afternoon (2-3 pm) or as directed by your healthcare professional. Do not take after 3 pm.

CAUTION: Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place. Keep away from direct sunlight.

CONTAINS NO: Wheat, gluten, corn protein, yeast, soy protein, animal or dairy products, artificial colors, sweeteners or preservatives.

This Product Meets or Exceeds cGMP Quality Standards.
